Based on the qualities and movement that horse displays to the judge during inspection, each horse will be assigned one of the following designations of type, along with a score: Sport Horse (dressage, eventing, combined driving), Utility (Western disciplines, Hunters, Driving, gaited, etc.) or Park (riding/driving horses with high knee action).

- Friesian - Purebred Standard: \$185** (May not be available at all locations please check the website)
- All Breeds Inspection: \$185**
- Breeding Suitability-Broodmare: \$185**
- Ster Saddle or Driving Testing: \$65** Horse must receive a base inspection score of 7.0 or higher to be eligible. For ease of planning and scheduling, horses should be signed up for Ster testing in advance of the inspection, on the inspection entry form. If the horse's in-hand inspection score ends up not being high enough to qualify for Ster testing, or the Ster testing must be cancelled due to lack of time, the fee paid for the Ster test is simply refunded, and the actual testing will be skipped. Ster testing is available at most locations, whenever scheduling and arena size (for driving) permits.
